ANNUAL REPORT

OF THE

Salford Royal Hospital

For the Year ended June 30th, 1932.

FOUNDED 1827.

SALFORD :

W. F. JACKSON AND SONS, THE MANOR PRESS.

SALFORD ROYAL HOSPITAL.

In the year 1827, this Hospital had its origin in temporary premises in Chapel Street, Salford.

In 1830 the corner stone of a portion of the present building was laid on a plot of land that had been acquired from the Duchy of Lancaster.

The Institution received the patronage of King William IV., and His Majesty contributed twenty-five guineas annually towards the maintenance of the hospital. The Royal patronage was continued during the reigns of Queen Victoria and King Edward the VII., and His Most Gracious Majesty the King has graciously renewed the privilege so long enjoyed.

For the first eighteen years of the Hospital's existence medical relief was afforded only to Out and Home patients, but in 1845 ten beds were provided in the building for the reception of In-patients. In 1866, two wings were added to the original building, raising the number of beds to forty; in 1871 ten more were added, and in 1882 the number was increased to sixty-two.

A large legacy left to the Institution in 1882 by the late John Pendlebury, Esq., enabled the Governors to further extend the Hospital accommodation to one hundred and twenty-seven beds.

In the year 1905, the Isolation Block was converted into Male Surgical Wards, and eight more beds added, making the total number 135.

The Extensions of the Hospital, decided upon in 1906, provided accommodation for 208 beds.

In 1911 the Hospital was further enlarged by the addition of the King Edward VII. Memorial Wing, thus increasing the number of beds to 260.

In the year 1922 the Salford War Memorial Ward, in the above wing, was opened by H.R.H. The Duke of York, K.G., G.C.V.O., who also unveiled in the Entrance Hall a commemorative tablet.

Two Observation Wards containing two Male Beds and one Female Bed were provided in 1926.

In 1875, the Pendleton Dispensary was built, as a branch of the Hospital, by means of a public subscription amongst the inhabitants of the District. With the approval of the Charity Commissioners this Dispensary was closed in June, 1923, as the work could be more conveniently done at the Hospital, and the property was sold.

The Medical Staff consists of one Honorary Consulting Physician, three Honorary Physicians, one Honorary Assistant Physician, two Honorary Consulting Surgeons, four Honorary Surgeons, two Honorary Assistant Surgeons, one Honorary Gynæcologist, one Honorary Surgeon for Diseases of the Ear, Nose, and Throat, one Honorary Assistant Surgeon for Diseases of the Ear, Nose, and Throat, one Honorary Ophthalmic Surgeon, one Honorary Surgeon in Charge of Orthopædic Department, one Honorary Surgeon in Charge of Genito-Urinary Department, two Honorary Medical Officers for the Electro-Therapeutic Department, one Honorary Dermatologist, one Honorary Dentist, one Pathologist, four Anæsthetists, four Registrars, one Radiologist, a Resident Surgical Officer, four House Surgeons, a Casualty House Surgeon, a House Physician, and a District Medical Officer for Broughton and Salford, and a District Medical Officer for Pendleton.

The beds in the Hospital are allotted as follows :—

	Men.	Women.	Beds.
Adults—Surgical	87	.. 88	.. 175
Adults—Medical	31	.. 33	.. 64
Adults—V.D. Dept.	4	.. 4	.. 8
Children's Cots—Medical and Surgical	—	.. —	.. 13
Observation Beds	—	.. —	.. 3

The original site of the Hospital was presented by the Duchy, and the site of the Pendleton Branch Dispensary (which has now been sold and the proceeds—£2,169 8s. 4d.—invested by the Official Trustee of Charitable Funds) was presented by the late Sir William Agnew, Bart. In addition to the investments, the property of the Hospital comprises the Hospital buildings in Chapel Street, Adelphi Street and Adelphi Place, Salford, and the land and buildings in Chapel Street, St. Philip's Place, Adelphi Place, Peel Street and Wilton Place, Salford, the Pilkington Home, "Oakwood," Swinton Park, together with the furniture and fittings in these establishments and Edenholme, Swinton Park.

ANNUAL REPORT

OF THE

BOARD OF MANAGEMENT,

For the Year ended June 30th, 1932.

The Board of Management has pleasure in submitting its 104th Annual Report and Statement of Accounts, being in respect of the year ended June 30th, 1932.

No. of In-Patients treated.	The number of In-Patients treated during the past three years has been as follows :—		
	1932	1931	1930
Medical	921	963	880
Surgical	2,939	2,891	2,801
Observation Ward	105	295	—
Total In-patients treated ..	3,965	4,149	3,681

In spite of the fact that the average length of stay of each In-Patient was only 20.16 days and that during the whole of the year the average number of beds occupied was 218.65 (83.14%), unfortunately no fewer than 618 Patients remained on the waiting lists at the end of the year.

Out-Patients. The number of Out-patients treated during the past three years is as follows :—

	1932	1931	1930
Out-patients	7,476	8,032	7,712
Casualties & emergencies...	17,447	17,328	19,427
In-patients made Out-Patients	1,657	1,938	1,821
Home-patients	1,414	1,313	1,198
Total Out-patients treated ..	27,994	28,611	30,158
The number of subsequent attendances was	68,311	69,305	70,986

Further statistics of Patients are given on page 32.

Motor Accident Cases. During the year, 317 Patients were treated as the result of traffic accidents, 128 of these were In-patients.

The total cost of the treatment of these cases was £654 13s. 10d., towards which only £98 16s. 5d. was received, leaving a deficit of £555 17s. 5d. to be found out of the General Funds of the Institution.

It is clear that the Road Traffic Act has done little to improve the position of Voluntary Hospitals. The relative clause in the Act which provides for payment of Hospital expenses, up to £25 in any one case, has been found to contain many loopholes, with the above disappointing result.

MOTORISTS' ASSOCIATION.—With the object of helping to meet the heavy cost of this work, a Motorists' Association was formed in 1931, with a minimum subscription of 2/6 per annum. During the year the sum of £33 10s. has been handed over. The Board earnestly appeals for increased support.

Convalescent Patients. During the year many patients have with great advantage been treated in Convalescent Homes through the kind offices of The Cotton Districts Convalescent Fund.

The Board desires to record its appreciative thanks to the Governors of this Fund for their valuable co-operation which has enabled the Hospital at small expense to provide this very necessary after-care treatment.

The following is a summary of the Patients treated :—

	1932	1931	1930
Southport	30	45	35
Buxton	28	24	13
Cheadle	13	6	14
Children's Sanatorium	6	1	3
	—	—	—
Total	77	76	65
	—	—	—

Income and Expenditure. The total ordinary income for the year was £34,502, which is £130 less than the previous year and £651 less than the average of the past three years.

The total ordinary expenditure has been £48,458, which is £477 less than the previous year. The deficiency of income for the past year is therefore £13,956. After payment of £5,251 Extraordinary Expenditure, the total deficit is £19,207.

The widespread industrial depression has unfortunately persisted during the year, and has resulted in a further decrease in the Hospital's income. Some benefactors have been obliged to reduce their contributions; but, happily, there is evidence of a general desire to postpone such a step as long as possible. The Board tenders sincere thanks to all for help received in these difficult times.

A welcome decrease of £477 is reported in expenditure as a result mainly of falling prices and careful administration. The annual deficiency of £19,207, however, is an alarmingly high figure, and the consequent drain on its slender reserves is proving a very serious handicap in the Hospital's work.

Faced with this serious shortage of funds, the Board is hopeful that the proposed scheme for a joint appeal on behalf of all local Hospitals with the object of increasing income by organised collections in Works, Warehouses, Offices, etc., which is now in contemplation, will commend itself to all and that a generous response from both employers and employed will result. In spite of the present difficult times, there is every reason to believe that an efficient method of centralised contributions would result in an increased income and enable the existing accommodation to be maintained without the necessity of closing any of the wards.

Legacies. The receipt of the following Legacies is gratefully recorded, and the Board desires to commend this most acceptable method of supporting the Institution.

Nursing Staff. The thanks of the Board are accorded to members of the Nursing Staff for their loyal services, and to the members of the Honorary Medical Staff who have been responsible for lectures to Nurses.

The Board records with regret the death of Mrs. H. Marsden, who rendered much valuable service as Principal of the Massage School during a period of 14 years.

Linen Guild. The tenth Annual Meeting of the Guild was held on July 11th, 1932 (see page 84). During the year Linen to the value of £114 has been purchased, in addition to which garments and other articles of linen to the value of £27 have been presented for the use of patients in the Hospital. The Board tenders grateful thanks to all helpers of the Guild, including the energetic members of the Dorcas Society. There is an urgent need for more members to assist in meeting the heavy annual maintenance of linen.

Mental Treatment Act. The arrangements referred to in the previous Annual Report have now been completed. Dr. A. Corsar Sturrock, Honorary Consulting Physician, has kindly undertaken to conduct, in collaboration with the Lancashire Mental Hospitals Board, an out-patient clinic for cases of early mental disorder. It is hoped that this department will still further increase the usefulness of the Hospital, and the Board is grateful to Dr. Sturrock for his ready and most valuable co-operation.

Acknowledgments. The Board wishes to express its sincere thanks to the Honorary Medical Staff for their valuable services to the Hospital. The work of the Hospital has again necessitated very heavy demands on their time.

The accommodation in the Out-patient, Accident and other Special departments has long been inadequate, and the Medical Board in its report again draws attention to the difficulties experienced by both patients and staff.

The rapid growth of specialised medical science has rendered much of the existing accommodation unsuitable for modern requirements, and the Board renew their earnest appeal for assistance in providing funds for much-needed improvements. Plans are already in existence for a good deal of this work; but in view of the serious financial position of the hospital, developments have been necessarily postponed. In the meantime the Board is making arrangements for the temporary occupation of the former bank premises adjoining the Hospital in order to relieve some of the most serious congestion.

Gifts of Provisions,
Requisites, etc. Welcome gifts received during the year have reduced expenditure, and the Board tenders to all donors their grateful thanks.

Eggs. 16,000 eggs were received, mainly through the efforts of school children during a very successful Egg Week. 10,000 eggs were very kindly sent by the Bury Infirmary.

Oxygen, etc. The British Oxygen Company, Ltd., have again kindly supplied Oxygen and Nitrous Oxide free of cost to the Hospital, a concession enjoyed during the past four years.

Miscellaneous. The Manchester Hospital Work Society, the East Cheshire Needlework Guild, and the Alderley Edge Hospital Requisites Guild, have again very kindly provided welcome assistance in the way of patients' clothing, garments, etc.

Toc H have maintained an efficient and much valued library service. In addition, a blood transfusion service has been inaugurated by this body, to the great advantage of the Hospital.

"Silver" paper, tinfoil, waste rubber, tyres, etc., have again been collected through the kindness of many old patients, school children and other friends.

Subscriptions and
Donations from
Charitable Funds
and Societies.

The Board is grateful for generous contributions from many charitable bodies including :—

The Distributors of the Booths' Charities.
The Trustees of the Dickansons' Charities,
The Hospital Saturday Fund,
The Manchester and Salford Medical Charities Fund,
Queen Alexandra Flower Carnival Committee,
The British Charities Association.

Salford Royal
Hospital Work-
people's Special Fund.

The many contributors to the Workpeople's Special Fund have continued their much-valued support. In spite of continued hard times, the receipts are only £15 less than the previous year.

Social and Athletic,
Clubs, Theatres, etc.

Special thanks are due to the following for continued interest and support :—

The Broughton Rangers Football Club and Mr. J. Hoey, in connection with the Senior Rugby Challenge Cup Competition.

Messrs. J. Edden and B. Timilty for reviving the Junior Challenge Cup Competition.

Mr. Walter Wilkinson and Mrs. Malone, in connection with the Hospital Golf Trophy Competition.

Manchester Football Club, and various other Clubs, for proceeds of Trial Matches.

Albion Greyhounds (Salford), Ltd.

Cadishead Ladies' Committee.

Mr. T. Grant, Annual Dance.

Griffin Hotel, Lower Broughton Billiards Matches.

Lancashire Constabulary Athletic Association.

Manchester Dock Police.

Ye Olde Priory Bowling Club.

Pendleton Co-operative Society.

Provincial Exhibitions Ltd., for facilities at Health and Hygiene Exhibitions.

The management of numerous theatres and picture houses where, despite abnormal conditions, much valuable help has been received. A special vote of thanks is due to many voluntary collectors for their welcome assistance.

Police and
Corporation Officials.

Helpful assistance has again been rendered by Police and Corporation Officials, who are at all times willing to place their services at the disposal of the Hospital.

Special Efforts. CHRISTMAS APPEAL.—The usual Christmas Appeal was again issued by Lord Colwyn, President, to whom particular thanks are due for the great interest he takes in the Hospital. The appeal, through the generosity of the public, resulted in the welcome sum of £461 8s. 8d. Thanks are due to Messrs. J. Cockshoot & Co., Ltd., and to Messrs. Lewis's, Ltd., for helpful co-operation in this and other appeals.

Old Patients' Association. The efforts of members of this useful Association have resulted in an income of £158 towards the cost of maintenance of three "Grateful Remembrance" Beds. The minimum membership subscription is 2/6 per annum.

An Old Patients' Reunion was arranged at the Hospital, and a large number of patients enjoyed an entertainment and tea. The Board wishes to thank the many willing helpers who kindly assisted in this popular event.

Children's Efforts. The sum of £190 has again been received towards the cost of the Children's Ward, and the Board tender their cordial thanks to the Director of Education (Mr. J. A. Hartley) and to the staffs and pupils of the Schools for their welcome contributions.

Other Special Efforts. Many other efforts have again received generous support; and the Board acknowledges its indebtedness to all donors and helpers for their energy and public spirit in assisting the House-to-House Collection, the Pageant, the Chain of Coins, Ice Palace Carnival, Hospital Pound Day. The Beecham Operatic Chorus Society, the Salford Vocal Society, and the Manchester and Salford Licensed Trades Hospital Committee have rendered welcome assistance in various ways.

Obituary. The Board records with much regret the death on June 1st of Mr. Andrew Boutflower. Since the foundation of the Hospital in 1827, the name of Boutflower has had a distinguished and unbroken association with the Honorary Medical Staff. Mr. Andrew Boutflower succeeded his father in 1870 as Honorary Surgeon, and since 1911 held the office of Honorary Consulting Surgeon. The Board deeply deplore the loss of his esteemed and valuable services.

The Board also regrets to record the death on January 14th of Mr. George Ruddle, M.B.E., who served the Hospital, with great devotion to duty, as General Superintendent and

THE "PILKINGTON" NURSES' HOME.

Secretary for a period of 31 years. During this lengthy period Mr. Ruddle carried out his duties with unremitting care, and by his unfailing courtesy and sympathy endeared himself to all those with whom he came in contact.

Personal. The Board is pleased to report that the following have accepted seats on the Board of Management:—

Alderman J. Jackson, J.P. (Mayor of Salford).

Alderman E. Desquesnes.

Mr. R. D. Marriott.

Staff. Dr. A. Corsar Sturrock has retired, under the Rules, from the active staff, but the great benefit of his experience and professional skill will fortunately be available as Honorary Consulting Physician. The Board desires to record its sincere gratitude to Dr. Sturrock for his most devoted and valuable services during the 13 years in which he held office as Honorary Physician. Dr. Charles S. D. Don has been elected an Honorary Physician to fill the vacancy thus caused.

Dr. James F. Corr has been appointed Medical Registrar.

Dr. W. J. S. Bythell has retired, under the Rules, from the office of Honorary Radiologist after 20 years valuable service. The Board is pleased to report that Dr. Bythell has been elected Honorary Consulting Radiologist.

To fill the vacancy caused by the lamented death of Mr. George Ruddle, the Board has been fortunate in securing the services of Mr. Henry B. Shelswell as General Superintendent and Secretary. Mr. Shelswell, who took up his duties in June, has had considerable experience of Hospital administration in Birmingham and Sheffield.

The service which the Hospital has been privileged to give in the past is a great achievement, made possible by the generosity of the public, and the Board feels that it can appeal with confidence in these lean times for a continuance of practical support so that the good work may be carried on efficiently.

JOHN E. G. GROVES,

Chairman of the Board of Management.

Annual Report of the Medical Board.

The year which ended on June 30th, 1932, has been one during which the resources of the Hospital have been taxed to their utmost capacity. There is still a good deal of unavoidable waiting for admission, particularly on the surgical side of the Hospital. As was pointed out in the medical report last year, the large number of industrial accidents and the increasing number of motor injuries occupy many beds which would otherwise be available for general surgical work. There is great difficulty, with the present inadequate out-patient accommodation, in dealing with the increasing number of patients who attend this department. It is hoped that improved and increased accommodation may be provided in the near future.

The members of the Medical Board greatly regret the death of Mr. Andrew Boutflower, the senior Consulting Surgeon, who had devoted so many years of his life to the service of this Hospital. During the year, Dr. A. Corsar Sturrock has resigned his post as Honorary Physician, and Dr. W. J. S. Bythell has resigned as Honorary Radiologist. Both of these gentlemen have been appointed to the Honorary Consulting Staff in recognition of their service to the Hospital. Dr. C. S. D. Don has been appointed as Honorary Physician.

The death of Mr. George Ruddle, who had been General Superintendent of the Hospital for so many years, was very deeply regretted by the Medical Staff, all of whom have many happy memories of his kindness and tactful dealing with the problems of hospital work.

It has been decided to hold, in collaboration with the Lancashire Mental Hospitals Board, an out-patient Clinic for cases of early mental disorder, and it is hoped that this department will prove of value to the community in connection with the milder stages of mental disease.

The Nursing services of the Hospital have been carried on through the year in the most efficient manner, and the Medical Board offer their thanks to the Matron and the whole of her staff for their unsparing devotion to their duties.

ROBERT OLLERENSHAW,

Chairman of the Medical Board.

REPORT ON THE WORK OF THE DENTAL DEPARTMENT.

Year ended June 30th, 1932.

1,286 Patients have received Dental Treatment.
3,570 Teeth have been extracted.
552 Administrations of Nitrous Oxide Gas.
42 Administrations of General Anæsthetics.
6 Fractured Jaws have been treated.

This report shows an increase in the number of patients presenting themselves for Dental Treatment when compared with the report of the previous year.

HERBERT B. KIRKBRIDE, L.D.S.

ANNUAL REPORT OF THE X-RAY DEPARTMENT.

For the Year ended June 30th, 1932.

There has been an increase in the number of cases examined during the year, and this has been sufficient to create a record for the total number of examinations performed in any one year. The increase has been mainly in general examinations, with a slight rise in the number of chest cases and a slight fall in gastric cases.

During the year there has been one important change in the personnel of the Department. Dr. Bythell, after many years of active association with the X-Ray Department, has now joined the Consulting Staff, much to the regret of all those who were privileged to work with him. Apart from this, no other changes have to be recorded, either in personnel or plant. Thanks are again due to the Assistant Medical Officer and to the Staff for their loyal co-operation.

J. B. HIGGINS, M.B., D.M.R.E.,

Honorary Radiologist.

REPORT OF PATHOLOGICAL DEPARTMENT.

For the Year ended June 30th, 1932.

During the year, 11,879 specimens were examined, and 487 autogenous vaccines were prepared.

The work of the department continues to increase, and the congestion due to lack of accommodation is unrelieved.

As in previous years, as much original investigation as is possible has been undertaken, and the results are published in various scientific journals.

At the present time increased accommodation is not practicable for financial reasons, but it should be realised that of all the large hospitals in Manchester, our pathological department is the worst equipped.

Linen Guild.

The Linen Guild was established in March, 1922, for the purpose of supplying Linen, Blankets, Quilts, Towels, etc., for the ordinary use of the Hospital.

Officers and Executive Committee.

President—The Rt. Hon. LADY COLWYN.

Vice-President—THE MAYORESS OF SALFORD.

Chairman—MRS. LAWRENCE PILKINGTON.

Vice-Chairman—MRS. EDWARD HOPKINSON and
MRS. GARNETT WRIGHT.

Hon. Treasurer—Miss L. W. RENSHAW.

Executive Committee.

The Rt. Hon. LADY COLWYN. Miss BANCROFT.

THE MAYORESS OF SALFORD. Mrs. BILLINGTON.

MRS. LAWRENCE PILKINGTON. Mrs. GROVES.

MRS. EDWARD HOPKINSON. Mrs. STANLEY HODGSON.

MRS. GARNETT WRIGHT. Mrs. E. F. PILKINGTON.

(With the Hon. Secretary, the Hon. Treasurer, the General Superintendent and Secretary of the Hospital and Lady Superintendent of Nurses *ex-officio*.)

Arrangements have been made with Messrs. Kendal, Milne & Co. (Harrods, Ltd.), Manchester, and Messrs. Smith, Hill & Co., Cateaton Street, Manchester, for the supply of standard articles as used in the Hospital, and members of the Guild are supplied, on joining, with a card authorising them to purchase.

COMMITTEE'S REPORT.

Year ended 30th June, 1932.

The Committee wishes to express its sincere thanks to the Members of the Guild for their continued interest and support in face of the very difficult time, which has been

experienced during the past twelve months, and the Board of Management is much indebted to the Guild for the valuable help rendered by the Members during the year.

It is disappointing to have to report a further decrease in Subscriptions, but this is largely due to the fact that many generous helpers have been obliged to reduce their contributions, and in spite of many efforts to secure new Subscribers, only four have been enrolled during the period in question.

The Committee would, therefore, make an earnest appeal to all Members to bring the objects of the Guild to the notice of their friends. They would gladly welcome more Associates willing to give a Subscription of 1/- per annum and two articles of Linen. If each Member would aim at securing the help of at least one new Associate, the scope of the Guild would not only be materially enlarged, but a much larger proportion of the Linen equipment required for use in the Wards would be ensured.

The Committee records, with deep regret, the death of Mr. G. C. Haworth, who has been one of the most generous supporters of the Guild for many years.

It would be difficult to suggest a more suitable form of support than a Subscription to the Linen Guild. Will YOU not join in the great work of healing?

Dorcas Society.

Report for Year ended 30th June, 1932.

This Society has done steady work during the year. The lack of Members was a serious bar to a large output of work, and it looked at one time as though the work must cease owing to want of support. Fortunately this calamity was prevented by the kind help and interest shown by the Members of the Inner Wheel of the Salford Rotary Club.

Since Easter these ladies have taken an active part in the control and management of the Society, both financially and by forming a rota of ladies, who attend the Sewing Meetings whenever possible. It was due to their help that materials have been bought during the past year.

It is indeed a boon to have a constant supply of cosy garments for the use of the In-Patients.

Our thanks are also due to our original Members, who have done such yeoman service and who, I am glad to say, are still helping in this work.

I should like especially to thank Mrs. Longworth, whose help in cutting out the garments has been invaluable.

The Meetings are now held each Thursday afternoon at the Hospital, and will resume after the month of August and commence for the Autumn Session on September 1st.

The number of garments completed during the year, and comprising pyjama suits for men, bed jackets for women, and wincey dresses for children totals, 150.

REGULATIONS FOR THE ADMISSION OF IN, HOME AND OUT-PATIENTS.

IN-PATIENTS.

Persons are admitted as In-Patients without a Subscriber's recommendation, for a term of one month's treatment, should their case require it; and may be re-admitted on the recommendation of their medical officer for a second period of one month; but any patient who seeks for further re-admission must obtain the sanction of the House Committee for such extension.

HOME PATIENTS.

All applications for medical relief from persons who are unable to attend, must be made at the Hospital between 9 and 9-30 o'clock in the morning, or they cannot be visited on the same day.

OUT-PATIENTS.

Applicants for admission as Out-Patients must attend for Registration between 8-30 and 9-30 in the morning.

Children under 15 years of age will not be admitted unless accompanied by an adult.

**No Applicant will be allowed more than One
Admission Card.**

The circumstances of all Patients will be enquired into and only those persons who are found unable to pay for Medical Attendance, and are not in receipt of parochial relief, will be admitted to the benefits of the Hospital.

VISITING HOURS.

Patients in General Wards	..FRIDAYS 2—4 p.m. SUNDAYS 2—3 p.m. (only two Visitors allowed to each patient on Sunday).
Private Patients3-0 to 5-0 p.m. each afternoon. 7-0 to 8-0 p.m. each evening.

PRIVATE NURSING.

——— :o: ———

Skilled and experienced Medical and Surgical Nurses, who have been trained in the wards of the Hospital, are sent out to nurse Private Cases, on the following terms:—
